Office of the Bishop

June 17, 2006

Dear Friends in Christ,

The National Fellowship of Catholic Men provides the necessary leadership and offers Catholic men the opportunity to live their faith in everyday life. It is an organization that is supported by our Bishops throughout the United States and truly has my blessing.

We are deeply grateful and inspired by Mr. Robert Tunmire's enthusiasm and willingness to lead this effort throughout the Austin Diocese and Central Texas. I ask all of you attending this orientation to strongly consider an active participation which will, through your leadership, inspire other Catholic Men to become involved.

Our church desperately needs the Catholic men to take their rightful place in their families, Church, and communities as men of God. An organization such as the NFCM clearly provides the vehicle to accomplish this goal. There is no stronger force in the world than a group of Catholic men evangelizing their faith and their commitment to Jesus Christ, their families, the Catholic Church and their communities.

Thank you again, for expressing an interest in this outstanding organization. The benefits that you will receive will far outshine the effort.

Sincerely in Christ,

Gregory M. Aymond  
Bishop of Austin
